## ANNOUNCEMENT

The Offering.—To the breeders of Shorthorn Cattle we extend a cordial welcome to visit this sale, and can assure you that you will find reliable and useful cattle which have made money for their former owners and are in condition to make profitable places for themselves in the average herd of Shorthorns. The cows have been very prolific and owing to the number of calves at foot and just being weaned, will be found in only ordinary breeding condition. The bulls.—There are only four listed; three winter calves and the Marr Bessie herd bull, owned by A. L. Ballard, which will speak for himself on sale day.

**GUARANTEE**—All females of breeding age will be guaranteed breeders, but cows that have proven breeders, will be considered as such, and no further guarantee will be placed on them. Bulls will be guaranteed breeders if proper care is given and not allowed to run at large in breeding herd. In case an animal does not prove a breeder, same may be returned to us, if in as good condition as when purchased, and money will be refunded or replaced with another of equal merit.

**TERMS**—Cash, or a credit of twelve months will be given on approved notes at 8 per cent interest. Those wanting credit not personally known to us, will be requested to furnish bank reference.

**BIDS**—Mail or telegraph bids sent to the auctioneer in our care will receive honorable treatment.

Certificates will be furnished with each lot and transfer of sale will be made to purchaser. Stock will be loaded free of charge. All stock at owner's risk after bid off.

Sale will be held at Woodlawn Farm of O. E. Husted, 6 miles southwest of St. Charles on the Burlington Railroad and 4 miles northeast of Peru on the Chicago, Great Western Railroad. Parties who find it equally convenient should come over the Chicago, Great Western Railroad, but all trains will be met at both St. Charles and Peru. Sale will start at 1 p. m. sharp.

H. S. Duncan and N. L. Kale, Auctioneers; H. C. Husted, Clerk.
